GEN. TWIGGS HAS A PERSONAL AFFAIR WITH PRESIDENT BUCHANAN. - Gen. I wiggs considers Mr. Buchanan's denunciation of him, just before he left Washington, as a personal affront. He, therefore addressed a letter to Mr. Buchanan, after the later had retired from office dated East Pascagoula, March 30, holding personally responsible, in the fellowing language:

"Your usurped right to dismiss from the army might be acquiesced in, but you had no right to brand me as a traitor. This was personal, and I shall treat it as such not through the papers, but in person. I shall most assuredly pay a visit to Lancaster, for the sole purpose of a personal interview with you. So, sir, prepare yourself. I am well assured that public opinion will sanction any course I may take with you."
